

Kit Instructions-Boy Kit

- i. Choose 4 photos.
- ii. Cut the piece of yellow cardstock to size 15cm x 15cm. Stitch or draw 2 lines around the edge of each sheet (on the textured side) as shown in image below.
- iii. Apply adhesive to the reverse side of these pieces of cardstock.
- iv. Place pieces in left bottom corner and right top corner of the green pieces of cardstock, leaving a 1.5cm border at the edge.
- v. Cut patterned paper in half. Apply adhesive to reverse side of the patterned paper.
- vi. Position patterned paper pieces in the centre of the layout pages as shown in the image below, leaving a 1.5cm border. Press into place.
- vii. Lay your photos out as shown in the image below.
- viii. Apply an acid free adhesive to the reverse side of the photos. Position and press in place.
- ix. Apply adhesive to the reverse side of the stitched tags. Position and press into place.
 - x. Using brads and circle tiles, spell the word "OUR BOY". Secure tiles using brads.
 - xi. If desired cut a triangle shaped piece of cardstock and ink in a brown colour. Place on top right corner of layout.
- xii. Using an archival safe pen, journal your memories on the yellow cardstock pieces. You might also might like to add a few journaling words to your photos
- xiii. Choose your title. Ink or paint the letters (*not included in this pack). When dry, apply adhesive to the reverse side of the letters. Position and press into place on your layout.
- xiv. If desired add ribbon (not included in this kit) to tags.

WELL DONE! ENJOY YOUR CREATION!
