

Kit Instructions-Girl Kit

- i. Choose 3-6 photos.
- ii. Lay your photos out as shown in the image below.
- iii. Apply an acid free adhesive to the reverse side of the photos.
- iv. Position and press in place.
- v. *OPTIONAL- stitch around 3 edges of your set of photos.
- vi. Apply adhesive to photo corners and position at edge of photos.
- vii. Apply adhesive to reverse side of stitched verses. Position and press into place as shown in the image below.
- viii. Cut daisy ribbon into separate flowers. Apply adhesive to back of flowers.
- ix. Position daisies in your desired arrangement and press into place.
- x. Using an archival safe pen, sketch a simple swirled pattern around your daisy arrangement.
- xi. Choose your title. Ink or paint the letters (*not included in this pack) in a raspberry pink colour. When dry, apply adhesive to the reverse side of the letters. Position and press into place on your layout.

WELL DONE! ENJOY YOUR CREATION!
