

Kit Instructions-Love Never Fails

- i. Choose 2 photos.
- ii. Cut coordinating black cardstock to 18cm x 12.5cm.
- iii. Cut x 3 pieces of ribbon in half.
- iv. Apply adhesive to reverse side of ribbon. Press into place in position shown in image below.
- v. Apply adhesive to reverse side of photos. Position on pieces of black cardstock, leaving an even border around the edge.
- vi. Using a white gel pen (or white stitching) draw a border on your black pieces of cardstock, on which you have mounted your photo.
- vii. Apply adhesive to reverse side of mounted photos. Position photos as shown. Press into place.
- viii. Cut Dymo® tape (if desired). Peel backing off and press into place.
- ix. Apply adhesive to reverse side of stitched verse. Position and press into place as shown in the image below.
- x. Cut your fourth piece of ribbon to a length of approx 10cm. Using adhesive, attach to your layout above your first photo.
- xi. Apply adhesive to the reverse side of the tile. Position in the middle of the ribbon and press into place.
- xii. Using the remaining black cardstock, cut small rectangular pieces. Using a white gel pen, write your desired journaling words on the pieces of cardstock. Apply adhesive to reverse side of journaling words. Position and press into place.
- xiii. Apply adhesive to back of flower. Press in place.
- xiv. Choose your title. Ink or paint the letters (*not included in this pack). When dry, apply adhesive to the reverse side of the letters. Position and press into place on your layout.
- xv. If desired, doodle or stamp a simple swirled pattern in the corners of your layout.

WELL DONE! ENJOY YOUR CREATION!
