

## Kit Instructions- Summer Blossom

- I. Choose 3 photos for your layout.
- II. With archival safe ink, stamp or draw a floral pattern on the pink, stitched cardstock.
- III. Using the peach coloured coordinating cardstock, cut a piece to approx 21cm x 11.5cm. Also, cut x 6 rectangular strips approx 1.5cm x 6.5cm. In addition, cut x 3 arrows from the cardstock.
- IV. Apply adhesive to the large piece of peach coloured cardstock that you have previously cut to size. Position on first page of your layout as shown in the image below.
- V. Using one of your photos, apply adhesive to the reverse side of the photo. Position the photo to the bottom right hand side of the piece of peach cardstock. If you like, you can allow your photo to sit slightly lower than the piece of cardstock, as shown in the image below.
- VI. Using a black, archival safe pen, draw a border around the edge of the peach cardstock and add your own journaling.
- VII. Repeat this process with the small strips of peach cardstock and arrows.
- VIII. Apply adhesive to the reverse side of these pieces. Position and press into place.
- IX. Apply adhesive to the reverse side of x 6 buttons. Press into place next to each journaling strip.
- X. Apply adhesive to the reverse side of the blossom. Position (as shown in image below) and press into place.
- XI. Apply adhesive to the reverse side of your remaining photos. Position (as shown in image below) and press into place.
- XII. Apply adhesive to the reverse side of canvas and press into place.
- XIII. Apply adhesive to the reverse side of library pocket. Position at bottom right side of second page. Journal your memories on the card inside the pocket.
- XIV. Position and press into place your remaining blossoms.
- XV. Using your alphabet (rub-ons, stamps, chipboard etc) (not supplied in this kit), create your title.
- XVI. If desired, continue to journal around your photos and layout embellishments.
